Concerning the District 9 meeting, it will be a recap of the past year plus information gleaned from the State Midyear meeting.
- Concerning recruitment, the State Council is looking for councils to bring in one new member each month. Per the records, our council has not recruited anyone this past year until just now. Therefore, the council is lagging behind in this effort. Statewide, Colorado is currently sitting at 34% of the quota given to it by Supreme for the Fraternal-year and we are half way through it. Bernie mentioned that our quota is 11, and if we could make a concerted effort to recruit 2 or 3 more folks that would be good.
- At the District 9 Midyear Bernie will also have an events calendar for the year that we can add to our council's events calendar.
- In the near future the online recruiting/membership tool will replace the paper Form 100. The reason is because via this process the enrollment database is then automatically updated.

Dear Knights of Columbus,

This is Austen Yarosh and I am here to say Happy Holidays! I hope that you have been enjoying the season and all that it brings. Also, I would also like to say thanks again for giving me the financial opportunity to attend college to get a degree. I have recently excelled in my engineering courses and have finished my first semester at CU Denver. Thanks again for all that you have done for me and I hope to speak with you again in the near future.

Sincerely,

Austen Yarosh

Dear Friends,

Thank you so much for all of your hard work and sacrifice to give struggling families a special Thanksgiving meal. One young dad was especially grateful, telling the volunteer who gave him the box, "you have no idea the difference this makes. I just found out that the guy I worked for the last two weeks isn't going to pay me." The volunteer told him that God actually deserves the thanks for this blessing! All of you deserve thanks, too, because He worked through your heart and hands to accomplish it!

With much appreciation,

Lead your community in the spiritual fight to establish a culture of life in our nations. Knights and their families will come together in both public and private acts of prayer to promote the protection of life.

Overview

The protection of life is a sustained prayer intention of the Church, and in particular of the Knights of Columbus. Knights remain firmly committed to defending the right to life of every human being – from the moment of conception to natural death. To commemorate and bolster this important cause, councils will promote a novena, nine days of sustained prayer, to build up a culture of life in our parishes, homes and wider community.

Required Program

A council must conduct this required program in the Life category to be eligible to receive the Columbian Award.

Hi Bill,

Key issue on this is to be sure the coverage includes "hired and non-owned auto".

I believe it may be included but I don't represent State Farm so do confirm with them.

Premium and limits are sweet, nobody will have any discernable savings. That being the case, it's good to work on "longevity" with a carrier - it gives you insulation in renewal situations should a claim occur.

SO hired and non-owned auto in place and make sure the agent knows exactly what the operation consists of and events and outing the Knights may hold.

Thanks for the opportunity – appreciated!

Mike

Hoping your Christmas goes as good as possible.
