XII. Unfinished Business

- Approval of additional \$500 to the RSVP budget, with goal of increasing our number of supported seminarians from four, approved in January, to now five. - New program 2nd Chance Bicycles to support Veterans Action Officer is Joe Regnery. More to follow.

XIII. New Business

- A new topic of discussion was presented by GK Mike Burkett. Mike mentioned that the council had an unfortunate accident back in November at Safeway during the food pickup for the Thanksgiving Basket Drive event. According to Mike what happened was this there was a tremendous amount of food to cart away and a second vehicle was needed. DGK Ken Balcerzak volunteered to use his SUV for the final load. While the loading continued, a cart was unfortunately left unattended, rolling down-hill striking Ken's vehicle. Mike proposed that the council look to reimburse Ken for the repair work that was done. Because the amount is over \$500, \$2,400 exactly, and is not in our budget, this action will require two separate business meetings for review and then a final vote.
 - The GK asked for a motion concerning reimbursing Ken. Leonard Martinez made a motion to help Ken pay this bill, Dave Martz provided a second.

- During the course of the discussion a number of questions surfaced about insurance, both Ken's and the councils. Ken mentioned that at present he was not planning on filing a claim with his insurance company in order to avoid a premium increase.
- Concerning the council liability insurance, because no one in attendance was knowledgeable enough about what the council's policy does or does not cover, it was determined that more research was needed. GK Mike Burkett stated that he would take this for action.
- Based on the discussion, the current plan calls for Ken to hold off on filing a claim with his insurance company until the council receives a decision back from State Farm concerning liability and responsibilities in this matter.
- Lastly, because there are too many unknows at this point, further discussion and review will be held once the council receives a decision from State Farm.
- Father Krol wants the various church ministries to lead the Stations of the Cross. Mike recommended that the council pick a non-fish taco night for us to lead the Stations. In the course of the discussion on this activity those in attendance told Mike to go ahead and pick two dates. Then once selected let the membership know what those are, along with asking for help.
- Change April Business meeting from 11 April to 4 April being that the 11th is Holy Saturday. After some discussion it was decided to leave things as scheduled.
- 23 May, add Beer and Brats to the council's events calendar/schedule for Deacon Kennedy's Reception.
