This will be a discussion and workshop that will be appropriate (though challenging) for young people to learn alongside the adults that are tasked with protecting them.

WHO SHOULD ATTEND:

- Anyone interested in joining the fight to end human exploitation
- Parents and youth
- Educators and anyone working with vulnerable youth

WHAT YOU WILL LEARN:

- How to identify human trafficking situations that affect Colorado youth
- How communities across Colorado are responding to human trafficking
- How to stay safe online
- How to raise awareness of this issue in your community
- How to report concerns

The **Laboratory to Combat Human Trafficking** (combathumantrafficking.org) is a leader in Colorado's anti-trafficking movement. Since 2005, we have trained over 40,000 professionals and community members; conducted research to drive action and inform policy change; operated the statewide 24/7 human trafficking hotline; and developed over 170 future human rights leaders.
