Yet he cannot do this alone and is soliciting help from Brother Knights to mingle and work the crowd during these events.

 - During the course of the discussion, it was clear that a sizeable portion of those at the meeting, including the GK, were still very much uncomfortable with this proposal and had concerns about the mechanics of the initiative.
 - Steve Froseth recommended that this be based on individual donations and not council revenues. Jim Egan recommended looking into doing a church-to-church transfer of money.

Hello,

Merry Christmas and Happy New Year! I hope all of you had a joy filled Christmas and are enjoying the Christmas Season! Many have been asking for an update on my discernment journey since I entered this past August 2021 with the Franciscan Sisters of Christian Charity and so I thought this would be a perfect time to send out a letter. On December 10th I received my communities Insignia in a ceremony which signifies that they believe, through prayer and reflection, that I am a fit at the current time to the FSCC and to therefore continue the discernment journey with them through this Postulant year. This is an exciting step and I wanted to share this news with all of you, who were a part of making this happen through pray and/or support, which I am so Thankful.

During your 1st year/Postulant year, you are allowed to go home over Christmas. So I had a wonderful opportunity to visit my home parish Holy Apostles, and family/friends for a short trip back to Colorado and then Ohio. And what wonderful timing, that I was able to attend an Ordination for Matt, one of our seminarians, to the transitional Deaconate!

As I spoke to some of my Seminarian friends and Priests I have realized it is easier to refer to my time at the convent in "semesters". So, over this first semester there have been many joys and challenges. Entering into a community setting I have found to be much like going to a military bootcamp, with obvious differences. It is a step from a world of independence into a formation setting where the purpose is to discover and shape one's life in accordance with the Charism and spirituality of the community. Through this time there is a three way discernment between God, the community, and me to see if this is where I am being called. In community, like in a family, it is not just about you but it is about the good of all as we live out our vocational call as a religious family. There is a reason and purpose for all things in community especially when you are at the Motherhouse, which is where those in formation are for at least the first three years. Every sister has a role and this is how the community functions. There is definitely a lot of adjustment, growth, and change. I do feel blessed to have wonderful support from the Sisters.

Through the first semester I have been volunteering at a local parish in Manitowoc helping with their high school youth on Sundays and then middle school youth on Monday evenings. It has been great to be in the parish and to work with a wonderful youth minister, priests, and great volunteers. I also volunteer at a hospital that our Sisters originally founded in 1899. I help a couple days a week in hospitality with greeting those coming to the hospital and taking them to where they need to go. Daily at the Motherhouse we pray the liturgy of the hours and attend Mass. Throughout the week there are instructions, spiritual opportunities, chores, & recreation evenings. I definitely have a structured and full schedule. I am learning something new everyday.

There is so much more I could share but I don't want this letter to become a book. So thank you again for your support and I would appreciate continued prayers for all of our sisters in formation with the FSCC, as well as our Green bay diocese, Colorado Springs and Denver Diocese Seminarians. If you have any questions please send me an email at Logan1018@yahoo.com or it is sometimes easier to reach me through mail and that address is Katie Logan, Holy Family Convent, 2409 South Alverno Road, Manitowoc, WI 54220. Many Blessings to all of you! Pax et Bonum, Katie Logan

P.S. Check out a few pictures on the next page from the 1st Semester. :)
