Subject: Update from Katie - Religious Life

Blessings Mike,

I am sending an email today to give Council 10937 an update on my journey to Religious Life. I entered with the Franciscan Sisters of Christian Charity on August 16th, 2021!

I wanted to say Thank You again. Thank you for supporting me so that I was able to follow God's call to the convent. And now that I have stepped through the door the true discernment through formation has begun. There are so many wonderful Sisters here and each day brings something new. I entered with my heart open wide and a receptivity to what will come as God works with and through my community.

I was given permission to post monthly updates on my blog page through my website. So, if you are ever curious to see how the journey is going you can check it out there. <https://logan10181.wixsite.com/serve>

Also, if you ever have prayers which you could use some prayer warriors just send them my way. And if you ever have any questions feel free to send me an email or you can even send a letter as well.

Thank you again for being a part of what made it possible for me to be here today! If you can continue to pray for all of the sisters currently in formation here at the FSCC and all currently discerning that would be greatly appreciated. As well as say a prayer for all seminarians, especially in the Denver, Colorado Springs, and Green Bay Dioceses. Please know that I am praying for your Council.

October is known as the month of the Rosary because of today's feast, the Feast of the Holy Rosary, which was originally called the Feast of Our Lady of Victory.

450 years ago today, a naval battle took place between the light, fast and militarily advanced Moorish corsairs and the outnumbered members of the Holy League in their heavy, sluggish ships. The odds were against the Holy League, yet they still sailed into battle with no worldly hope to defend Rome from the Moorish conquest of the eternal city and all of Christendom. The story reads like a scene from the Lord of the Rings - the forces of Sauron against the dying light of the West - and it was in fact that epic.

The Pope in his wisdom asked every ship to hoist the image of Our Lady of Guadalupe while sending riders to all of Europe asking Catholics to pray the rosary for the battle's success. As the ships began to do battle, a strong wind blew against the Moorish navy, whipping up waves that pushed them into reefs and sandbars, rendering their military advantage obsolete. They were too light to withstand the storm. The Holy League, in their heavy ships, broke the back of the Moorish advance and defeated them absolutely. The West was protected by the Rosary and Our Lady.

We like to think of Our Lady as a gentle, loving mom and the rosary as a nice devotion prayed by grandmothers before or after Mass. Yet we all know never to get between a mother (or grandmother for that matter) and her children. We must not forget it is Mary's heel that crushes the serpent. Every saint implores us to pray the rosary. In fact, many saints refer to it as a "spiritual weapon." Our Lady instructs us to pray the rosary daily in her apparitions at Fatima. This is not something to take lightly or ignore.

Our Lady of Victory, pray for us!
